Pictured: Wall art from Lilyauna's home (adopted at 18)

“

I lost count of how many foster homes I lived in. I never had a space that really felt like mine. Eventually, I didn't even bother unpacking. Now, I have my own room. And just like my family, it's mine to keep. ”

— Bridgett (adopted at 16)

Mission

Dramatically increase the number of adoptions of children waiting in North America's foster care systems.

We believe ...

Every child deserves a safe, loving and permanent family.

No child should linger in foster care or leave the system at age 18 or 21 without a permanent family of their own.

Every child is adoptable.
